#DIGNITYDRIVE

1000s of Australian women are forced to endure their period WITHOUT ACCESS TO SANITARY ITEMS. Every. Month.

Could you do it?

We believe that under no circumstances should a person be forced to choose between eating a meal, or purchasing pads or tampons to manage their natural bodily function. Not one.

Get your friends together and collect pads, tampons & incontinence underwear for the Australians doing in unnecessarily tough every month.

Donate them at your nearest collection point and you will be assisting the 1000s of women and girls that rely on your donations to manage their sanitary needs.
